Covenants, Conditions and Restrictions

APPENDIX 1
POOL POLICY

CASAS ARROYO POOL RULES

Casas Arroyo Pool is a private pool for the enjoyment of Casas residents and their guests only. Please observe the following conditions for safe, respectful use of the pool:

Children must be accompanied by an adult at all times.

Casas residents must accompany their guests. Please do not give out the gate lock combination or invite friends to use the pool unaccompanied. They will be asked to leave.

Please remove toys and swim gear from the pool area when you leave. Be especially careful not to leave objects in the pool to avoid causing malfunction of the pool vac.

Please do not use the pool after 10:00 p.m. in consideration of neighbors who live close to the pool.

If you plan a special event at the pool, please notify the pool chair for scheduling ahead of time. (Information posted on the main door at the pool.)

If you swim in late afternoon or evening, please close the pool cover before you leave.

If you uncover the pool, refrain from pulling the cover beyond the far end of the pool. If pulled too far, the cover will come off the track.

Do not try to open the pool cover if water has accumulated on it. Notify the pool chair or committee members who will use the pool cover pump to remove the water.

Avoid going into the pool equipment room.

Lock the gate when you leave.
